
9th National Math Conference Held

Pune | November 2nd and 3rd, 2019

Three members from the math primary teaching faculty from S. B. Patil Public School, Ravet participated in the 9th National Math Conference held at IISER on the 2nd and 3rd of November, 2019. Ms. Gitanjali Zambare, Ms. Aparna Jagdare and Ms. Varsha Deshmukh attended the conference so as to gain further understanding of topics within the field of math education viz. the computational thinking in math, and the usage of different techniques such as tactile technique, geozebra, etc.

Certificates of participation were awarded to the three faculty members who are continually striving to be better instructors and academicians.
