## Chairman's Message

“The value of an education is not the learning of many facts but the training of the mind to think about things that cannot be learned from text books”. Truly stated by Edison, the saying is envisaged in the philosophy of the Pimpri Chinchwad Education Trust (PCET). The motto of the PCET is to boost the saga of developing activities in the city of Pune also known as the Oxford of East. There cannot be any other sector better than that of education, and the Pimpri Chinchwad Education Trust has been a pioneer in this field, the evidence to which lies in the establishment of many educational institutes of which S.B. Patil Public School stands out as the most promising institute in Ravet.

It is a matter of immense pleasure and satisfaction that school has grown extensively in the last 11 years. It has not only achieved the affiliation by the CBSE affiliation but has also received the NABET Accreditation twice: in 2014 and 2019, and will be again seeking accreditation in 2024. To add to its crown, S.B. Patil Public School was granted affiliation for the senior secondary classes of Grades XI and XII; and – in October 2023 - was bestowed with the QS I-Gauge Diamond Rating.

At S.B. Patil Public School, emphasis is given on developing students' talents holistically to the fullest. It is rightly remarked by Norman Cousins, “The tragedy of life is not death, but what we let die inside of us while we live.” Thus, in all our institutes, we motivate young minds to apply the ideas and skills they get to learn during the tenure of their studies. The numerous local, national and international collaborations the school has with other educational institutes across the globe are a remarkable feat shown by the school's students and staff.

Let us all become a striking and novel combination of politeness, humility and compassion as Mahatma Gandhi rightly said, “Be the change you want to be.” With the cordial functioning of the management, our staff and parents, we expect to make the future brighter for our students.
