
Singing for Safety: The SKF Singing Competition

Pune, Maharashtra | August 22nd, 2020

On August 22nd, 2020, the Safe Kids Foundation announced the results of an online singing competition organised by them which was conducted a week to a fortnight ago. Students from grades III to X from across Pune participated in the event.

Taking into consideration safety precautions, students were required to prepare a recording of themselves singing from home any song themed on “Freedom from Fire and Burn Injuries”. The song was to be then uploaded on the participant’s personal Facebook accounts and have the Safe Kids Foundation’s account tagged in the said upload, all done no later than August 18th.

Swara Bangale, Priyadarshini Patil, Jhanvi Katkar and Apoorva Wadekar, all students of S.B. Patil Public School’s grade IX partook in the event. Swara and Priyadarshini performed solos to the songs “*Koi Dara na Payega Humko, Hum Bharat ki Shaan Hai*” and “*Sandhanta Palu Apan Agni Pasun*”, and Jhanvi and Apoorva singing a duet to the song, “*Ek Nayi Roshini Hum Layenge*”.

We are proud to announce that Safe Kids Foundation garnered Swara Bangale with the first prize. We congratulate her and the other three participants wishing all of them the very best, and hope to see them partake in many more such events.

In an interesting twist, all three songs were composed by the school’s music instructors: Mr. Kuldeep Ghadge (who also composed and wrote the lyrics for the prize-winning song, “*Koi Dara na Paye Humko...*”), Mr. Prathamesh Inamdar and Ms. Sulochna Pawar. We extend our heartiest thanks and congratulations to our fine and talented music staff without whom we would not have achieved such laurels.
