The holistic development of our students has always been an innate part of our creed. The faculty - both academic and administrative - work painstakingly to ensure our students receive the best education, and surpass our and their own expectations be it in academia, co and extra-curriculars.

Furthermore, our school has always aimed to be equipped with state-of-the-art facilities, provide the best tech and scientifically advanced resources to the students, and have our faculty trained to be tech-savvy with respect to the latest software.

We owe our gratitude to the principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; the section coordinators: Ms. Nirupama Kale, Ms. Vandana Sangle. Ms. Archana Prabhune, Ms. Payal Nihalani and Ms. Nayana Taru; and the administrative manager, Mr. Manish Dhekale for painstakingly striving to mentor every faculty and student.

Our heartiest thank you to every student for working so diligently; every teacher and faculty member for their meticulous and hard work – without their effort, this win would not have been possible. A mighty thanks goes out to the parents as well who have worked in cohesion with us with such patience and understanding.
