

At the IIT Bombay Vigyantram Competition

Bombay, Maharashtra | 20th and 21st January, 2024

NOTE: This is a continuation of the article: *At the IIT Bombay National Level Championship*

S.B. Patil Public in association with Vigyantram and Abhyuday, IIT Bombay organised a national level Championship in school for multiple technologies. It comprised a triad of stage events as mentioned below:

1. The first level training was a two-day workshop held in April 2023.
2. The second level of the competition was at school level followed by workshop.
3. The third level grand finale round at IIT Bombay (was held on 20th and 21st of January 2024)

From Grade IV, Adrit Patra, Divyansh Palherkar and Parnal Kumbhar from the RoboSoccer session; and Vaidehi Verma, Rudra Kudkar and Arnav Phulari from the Drone-making session were selected for the national level.

Ms. Trupti Zarkar organised all these levels under the guidance of school principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; and HM, Ms. Shubhangi Kulkarni. Ms. Varsha Gawali, our robotics teacher helped in guiding the students. Ms. Sayali Joshi ma'am accompanied and helped Trupti ma'am for the execution of competition at IIT Bombay.

The Junior Team participated under the LCRC category and the Senior team under Robotron category. They attempted all three rounds properly and gained knowledge from it. Students received participation trophies; whilst Ms. Trupti Zarkar received a memento as a coordinator of this event. Students got the opportunity to explore and interact at the IIT Bombay Competition.

On 23rd January, the winners were felicitated by the principal, Dr. Bindu Saini. We congratulate all the winners, wishing them the very best for the future.
