

Of Gold, SIPs and Mutual Funds:

A Faculty Training Session on Financial Literacy and Use of Digital Tools

Pune, Maharashtra | 5th March, 2024

On 5th and 9th March, 2024, sessions on Financial Literacy and Use of Digital Tools were held for the middle and secondary faculty of S.B. Patil Public School in the school auditorium.

The speakers for the events were Ms. Priyanka Parmar, a soft skills and behavioural trainer and life coach; and Mr. Hemant Bhagwat, an educationist and career guide. Both speakers elaborated about the need for financial independence, and how in this day and age of digital technology, the tools available can help one reach that goal.

With the focus on women and their finances, the sessions stressed on the imperative of investment, and the myriad ways of investing so as to secure one's (financial) future.

Both speakers beautifully explained the technicalities in the simplest and interesting ways so that everyone not only understood, not only actively engaged in interaction but also sought modes of investment by the end of the session.

We thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; and administrative manager, Mr. Manish Dhekale for organising the event.

Our gratitude also goes to Ms. Parmar and Mr. Bhagwat for sharing her knowledge with us and making such a perplexing subject easy.
