## The Eradication of Superstition: The Andhashraddha Nirmulan Workshop

Pune, Maharashtra | 3<sup>rd</sup> February, 2024

An Awareness Workshop on Scientific Reasons vs, Andhashraddha was conducted for students of Grade V to VII on 3<sup>rd</sup> February, 2024. The programme was attended by the HM, Ms. Shubhangi Kulkarni; section coordinators, Ms. Vandana Sangle Ma'am and Ms. Archana Prabhune; and the teachers and students of Grade V to VII.

The workshop was conducted by Mr. Bharat Vitthalaldas, who holds a BA in Psychology; and an MA in Marathi and Public Administration. On this occasion, he elaborated his view on how people become victims of various superstitions. He also pointed out that many people are educated but still they maintain various superstitions, and it is mainly because they don't apply their educational knowledge to fight those superstitions.

Through various demonstrations he helped the students understand the importance of scientific thinking, the need to strengthen their scientific concepts, help disprove blind beliefs, and understand the need to eradicate all forms of superstition. This enlightening workshop came to a conclusion with our CCA In charge, Ms. Sujata Bhoite proposing the Vote of Thanks.

We thank everyone: our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; the section coordinators, Ms. Vandana Sangle and Ms. Archana Prabhune; and CCA In charge, Ms. Sujata Bhoite for organising this eye-opening seminar.
