## The Secret to Success:

### Vihaan Sharma Selected in the Maharashtra State U-14 Cricket Team

Pune, Maharashtra | January 2024

Vihaan Sharma of Grade IX was selected to participate in the U14 Maharashtra Cricket Team at the State Level. His proud parents have sent us their testimony:

*"Currently in Grade IX, Vihaan Sharma joined S.B. Patil Public School from Grade I, and this year 2023-24, he was selected for the Maharashtra State U-14 Cricket Team*

*Behind this success is four years of hard work and effort. He would practice for almost 6-7 hours daily. Every day, he would wake up at 05:00am, head for practice at 05:45 am; return home at 07:45 am; and quickly get ready for school.*

*He would return from school by 02:50 pm, and again leave for practice around 2:50 pm at Varroc Cricket Academy at 03:30 pm; and return by 7:30 pm, or sometimes even 08:00pm. It is following this practice and schedule that he is finally now representing Maharashtra in the State U-14 Cricket Team and S.B. Patil Public School.*

*As proud parents, we really want to thank to S.B. Patil family, especially principal madam, Dr. Bindu Saini; the sports teacher, Mr. Chandrakant sir; all the individual teachers; the supporting staff; and to all the students,*

*This is your success! It is because of your contribution and help and mentoring that this year he made it in the Maharashtra State Team; and is currently in playing at Rajkot Gujarat. We really appreciate your energy, blessings and support without this wouldn't be possible. Thank you!" – Vihaan's parents.*

We once again congratulate Vihaan for this exemplary win; and hope that others will be inspired by this level of dedication and hard work.
