**Nursery Syllabus for Assessment – I (A .Y. 2025-26)**

Date: 09/09/2025

**Dear Parents, (Nursery)**

At this early stage in your child's learning journey, we believe in gently observing their growth through play, interaction, and everyday classroom activities. Preschool assessments are a simple and natural way for us to understand how your child is developing key early skills — such as communication, motor skills, social behavior, and participation.

As per our annual planner, Nursery students will be assessed informally twice a year: Assessment-I in October 2025 and Assessment-II in March 2026.

There is no pressure on the children — our aim is to understand their individual progress in a safe, joyful, and encouraging environment.

These assessments are completely informal and will include simple oral interactions, along with written and activity-based assessment under the supervision/guidance of their respective teachers.

The performance of the students during Assessment-I shall be shared with parents during the Assessment-I Open House.

**Further, Parents are requested to note the following points:**

1. A syllabus sheet is provided to the parents for reference only.
2. Teachers will assess students from **6th October to 13th October, 2025** for the subjects mentioned in the syllabus sheet.
3. There is no fixed timetable for the assessments. Teachers will conduct the assessment as per the readiness/preparedness of the class and will mention in the diary after the assessment is completed for the particular subject during the above mentioned dates.
4. There shall be a regular school during Assessment I.
5. Parents are requested to make sure that the students remain present during the assessment period.
6. Please continue to support us in making this a happy, stress-free experience for your child.
7. **Important:** Next Play Plus 1,2,3 and 4 will be sent home timely for reference and practice, which need to be kept at home. Once the Assessment I is over, on **Tuesday, 14th October 2025, kindly return Next Play Plus 3 and 4 books to the class teachers.**
