
A Champion with a Blade: Saksham Jadhav Triumphs in Fencing

Pune, Maharashtra | 3rd October, 2026

Success is rarely won in a single moment. It is built through discipline, perseverance and countless hours of practice—and Grade VI student Saksham Jadhav proved exactly that by securing First Place in the Fencing ZP Competition, held on 3rd October, 2026.

With remarkable skill, focus and determination, Saksham emerged victorious in the competition, bringing immense pride to the school. His achievement reflects not only his talent on the fencing strip, but also the commitment and consistency that he has demonstrated throughout his training.

Behind every champion is often a mentor who helps transform potential into performance. Saksham was guided and trained by Ms. Priya Suryawanshi, P.E. Teacher, whose expertise, encouragement and constant support played an important role in his journey to victory.

Fencing demands much more than speed and agility. It requires concentration, precision, quick decision-making and the ability to remain composed under pressure. Saksham's first-place finish is a testament to his ability to bring these qualities together when it mattered most.

His victory is a proud moment for the entire school community and an inspiring example for his peers. As Saksham continues to hone his skills and take on new challenges, this achievement marks another promising step in what we hope will be a long and successful sporting journey.

Congratulations, Saksham, on this well-deserved victory! May this be the first of many more medals, milestones and moments of glory.
