Pune, Maharashtra | 3<sup>rd</sup> and 4<sup>th</sup> February, and 14<sup>th</sup> November, 2024

The India Quiz – My India, My Pride is an attempt to make the young minds curious, to nudge the exploration, to learn, to know, to feel proud of our achievements.

Questions span topics from the ancient Vedic Age to that of the kings and dynasties, our art, music, food, traditions, festivals, folklores, to the eminent personalities and their accolades, to the glorious freedom movement, to the modern inventions, about our forests and diverse geography, etc. There is a lot to learn about our country.

And so, the quiz aims to celebrate India, our rich culture, our traditions, the geographical diversity, archaeological marvels, art, literature, and treasure trove of knowledge.

Young learners of Grade III to IX got an opportunity to showcase their talent at the national level and compete with school students from across India. We celebrate the marvels of India and bring the knowledge nuggets to our young learners, in the form of a quiz.
