

Apropos G20: Participating in the Adolescent Summit

Pune, Maharashtra | 19th and 20th June, 2023

The Sahodaya School Complex, Pune, in collaboration with Central Board of Secondary Education (CBSE) organised a Two-day State-level Adolescent Summit in Pune City on 19th and 20th June, 2023 at the Kalyani School.

the purpose was to "facilitate and enable the students to think critically, innovate and communicate to become the change makers."

the purpose was to "facilitate and enable the students

The spotlight of the Summit was on life skills, mental health, safety and wellbeing and gender equality. The CBSE has planned year-long student enrichment activities to enable school students to understand the dynamics and India's position at the global level to highlight India's Presidency of the G20 for the first time.

For this event, S.B. Patil Public School also conducted the various activities in the school as per CBSE guidelines. Under the mentorship of principal, Dr. Bindu Saini, school students participated in various zonal inter-school competitions such as group dance, nukkad natak, poetry creation and recitation, poster making, action plan, paper presentation, etc. and got selected to showcase their performance at the Summit.
