
At the School Safety Committee Meeting

Pune, Maharashtra | 6th October, 2023

On 6th October, 2023, the school's Safety Committee held a meeting in the Trust Office to discuss pressing issues of dispersal arrangements, mock drills, cleanliness and maintenance, toilets for CWSN, overall student discipline, and other topics raised with the permission of the chair.

Chaired by our principal, Dr. Bindu Saini; what was most interesting about the meeting was that not only did both administrative and academic faculty heads and members partake in the meeting but also members from the Student Council were part of it.

Students especially brought new insight and perspective to situations and solutions. They lent a student perspective, and did not shy from giving their valuable suggestions.

We thank our principal, Dr. Bindu Saini; vice principal; Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; administrative manager, Mr. Manish Dhekale and all the other members of the school's Safety Committee for organising this meeting to ensure the overall safety and wellbeing of our students.
