

## Building on the Bond to Pave the Way: Attending the Alumni-led Career Guidance Session

Pune, Maharashtra | 14<sup>th</sup> July, 2023

On 14<sup>th</sup> July, 2023 S.B. Patil Public School hosted a career guidance session by our alumni for the students of Grade X.

The session was an initiative taken by Ms. Susmita Roy, the school's career counsellor, who mentored our alumni and current students as well. Representatives from the alumni were Ms. Anushka Aloni, Mr. Sharvay Tiwari, Mr. Gaurav Bhagodia and Mr. Aman Bhoge.

Anushka, who is a BA in Psychology, talked about different career options available in psychology and the importance of it in tomorrow's world. She clearly differentiated between the passion and hobby and the need of it in one's life.

Sharvay, who is a student of College of Engineering Pune Technological University was of the opinion that one should aim to get admission in good institution or university. Gaurav, a student of Hospitality and Hotel Administration, talked about different career paths available after HHA. Aman, a student at IIT Madras said that aim should be fixed and all have to work towards it.

In summary, they all were of the opinion that to be successful in life one has to be focused, disciplined and know about one's skill and ability to work towards it. The students, who attentively listened and then interacted with their now graduated seniors found it to be very informative.

At S.B. Patil School, we not only nurture students to be better citizens also imbibe the spirit of brotherhood amongst those who are presently in school and those who graduate. And this is why there exists a strong bond between not just our institute and faculty and our alumni, but also a spirit of mentoring between our current students and the pass-outs.

In closing, we thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; and school career counsellor, Ms. Susmita Roy for organising such a wonderful and insightful event.
