
Building Borders: A Soft Board Border Designs Session for Teachers

Pune, Maharashtra | 23rd April, 2025

In an effort to promote creativity and enhance the visual appeal of classroom displays, a Soft Board Border Designs Session was conducted for teachers on 23rd April, 2025.

learning environment.

The session aimed to provide hands-on experience and fresh ideas for decorating classroom soft boards, which play a crucial role in student engagement and creating a vibrant

Led by art teachers, Mr. Yogesh Deole, and Mr. Kuldeep Ghadage; and the CCA team, the session introduced a range of border design techniques using both traditional and upcycled materials. Working in small groups, teachers experimented with themes, colour combinations, layering techniques, and seasonal inspirations. From 3D elements and paper folding to fabric strips and thematic cutouts, the session encouraged innovation at every step.

The atmosphere was buzzing with creativity and collaboration. Teachers left the session feeling inspired and equipped with new skills

to transform their classroom spaces into dynamic, educational hubs. We eagerly look forward to seeing these imaginative ideas come alive across our school!
