## A Story Chain in Many Tongues: The CBSE Ek Bharat Shreshth Bharat Activity, Part II

Pune, Maharashtra | 9<sup>th</sup> December, 2025

S.B. Patil Public School observed Day 5 of the week-long celebrations organised in accordance with the CBSE guidelines issued to commemorate the birth anniversary of Mahakavi Subramania Bharati, beginning on 4<sup>th</sup> December, 2025. The celebrations concluded on 11<sup>th</sup> December, 2025 with the observance of Bharatiya Bhasha Utsav 2025. This Utsav serves as a tribute to the enduring literary contributions of Mahakavi Subramania Bharati and seeks to foster respect for, and deeper appreciation of, India's vast linguistic heritage.

The theme for this year, "Many Languages, One Emotion," encapsulates the unity, shared cultural identity, and collective spirit that bind the nation's diverse linguistic traditions.

In alignment with this vision, the school organised the Story Chain in Multiple Languages activity for students on Tuesday, 9<sup>th</sup> December, 2025. Participants narrated stories embedded

with moral values in a variety of Indian languages. Through these narratives, students discovered striking similarities in the lessons and life values conveyed across linguistic traditions and experienced both learning and delight while collaborating with peers as Bhasha Bandhu — Language Brethren.
