
Many Languages, One Heartbeat: The CBSE Ek Bharat Shreshth Bharat Activity

Pune, Maharashtra | 7th December, 2025

Our school received guidelines from CBSE to organise a week-long celebration honouring the birth anniversary of Mahakavi Subramania Bharati commencing on 4th December, 2025 and culminating on 11th December, 2025, marking the observance of *Bharatiya Bhasha Utsav 2025*. This Utsav was a tribute to the timeless contributions of Mahakavi Subramania Bharati and aimed to promote respect for and understanding of India's rich linguistic diversity.

The theme for this year, “Many Languages, One Emotion,” reflected the unity, shared identity, and collective cultural spirit that bind India's multitude of languages.

Through this initiative, the activities planned aim to:

1. Enhance students' appreciation of Indian languages and literature
2. Promote the spirit of *Ek Bharat, Shrestha Bharat* by encouraging the learning of an additional *Bharatiya Bhasha*
3. Strengthen national unity through cultural understanding and

linguistic inclusivity

4. Support the national vision of fostering a multilingual and knowledge-driven society

In alignment with these objectives, the school organised the activity “*Unity in Proverbs and Bhasha Mitra Collaboration*” for senior grades on Monday, 8th December 2025. During this session, students explored and presented the varied treasure of thoughts, proverbs, and traditional sayings expressed through different Indian languages. They identified striking similarities in the morals and messages conveyed through these expressions, and thoroughly enjoyed collaborating and learning from one another through the medium of language.
