
Designing Change: Students Take on the Canva Innovation Challenge

Pune, Maharashtra | 7th October, 2026

S.B. Patil Public School, Ravet actively participated in the Canva Education Summer Innovation Challenge 2026, providing students with an opportunity to explore creativity, digital design, and innovative problem-solving.

The challenge was coordinated and facilitated by Ms. Richa Arora, Ms. Anusaya Swami, and Ms. Ratna Ingle. Students were encouraged to identify a real-time problem from their surroundings and present an innovative solution through a poster, video, or presentation using Canva.

A total of 66 student entries were successfully submitted for the challenge. The activity enabled students to apply their creativity to real-world issues while developing skills in digital communication, design thinking, problem-solving, creativity, and presentation.

All participating students were awarded Certificates of Participation in recognition of their enthusiasm and efforts. A special achievement was secured by Ms. Swaranjali Patil of Grade XII, who received the Special Prize – Canva Goodies for her outstanding contribution.

The Canva Education Summer Innovation Challenge 2026 was a valuable learning experience that encouraged students to think creatively, use technology purposefully, and transform their ideas into meaningful solutions.

The school appreciates the efforts of the participating students and teachers and congratulates Ms. Swaranjali Patil on her special achievement.
