

## Catching Them Young, Part 1: At the Infosys Switchboard CTY Initiative

Pune, Maharashtra | August and October 2023

Infosys Springboard Catch Them Young (CTY) has been a decade-long Infosys' initiative through which government and private high school students have been training in the basics of Information Technology.

The

fortnight-long programme aims to expose bright urban youth to the world of Information Technology by conducting programmes during the summer vacations at Infosys' campuses. These help raise the curiosity levels in young students to develop an interest in computer science and information technology.

In August 2023, 20 students from Grade IX appeared for the aptitude test from which seven students have been selected for the training programme at the Infosys campus, Pune which will be held in the first week of October, 2023.

**Those shortlisted are as follows:**

S. No	Name	Grade
1.	Tejas Divakar Rane	IX-D
2.	Tanishka Mahipat Jha	IX-B
3.	Aabha Satish Kulkarni	IX-A
4.	Aditya Mangesh Ganjare	IX-A
5.	Sarvesh Sachin Gurav	IX-C
6.	Vaidehi Verma	IX-E
7.	Amita Atul Nerlikar	IX-G

We thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; and the computer teacher, Ms. Richa Arora for organising and mentoring these brilliant young minds to aim higher. We also thank all the parents for their immense support.
