

Celebrating Children's Day

Pune, Maharashtra | 14th November, 2024

"Trembling, wobbling, with tiny feet, a child starts exploring this world. Reaching out for things with their tender hands, slowly they begin their journey. There are no seven wonders of the world in the eyes of a child. There are seven million." – Walt Steightiff (1906 to 1978)

To honour the first prime minister of India, Pandit Jawaharlal Nehru on his birth anniversary; to pay homage to the man who believed that children are the future of the nation, people all over India celebrate the 14th of November annually as Children's Day.

S.B. Patil Public School too paid their respects by organising a Children's Day celebration on 14th November, 2024 for students of the pre-primary and primary sections.

In full preparation, the teachers awaited for the tiny tots to arrive brimming with excitement. The day, which was a bagless day, was one filled with fun.

Amazing games were set up for the pre-primary toddlers. The school halls were filled with their laughter as their little hands painted with tattoos waved with happiness to the beats of dance. Teachers also arranged a puppet dance, magic show and a small fun-skit to embark cheerful memories for the day.

Grades I and II had fancy dress competitions whose themes were: "Save the Environment" and "My Superhero" for I; and "Zero Hunger" and "Go Green" for II. The teachers performed a funny skit, a puppet show, gave speeches and performed dances for students.

Judges for the event were art and craft teachers, Ms. Rohini and Yogesh Deole; and science teacher, Deepali Birje. The competition was compeered by Ms. Swati Warke. We are proud to announce that the finalists of the competition are as follows: Ovi Wargde of Grade I received the first prize; Sai Doke of Grade I was bestowed with the second prize; Adwait Phalak of Grade II received the third prize. Sharv Jagtap of Grade I and Mansi Diwate of Grade II got consolation prizes.

For the students of Grades III to V the Blue House teachers performed speeches on Children's Day and Guru Nanak Jayanti, recited poems and also performed a dance number to which students cheered.

As a surprise for all, Mickey Mouse especially visited the students of S.B. Patil Public School, wished the students and danced for them.

future.

The day was not just a tribute to Pandit Jawaharlal Nehru, but also a reminder of the importance of nurturing and empowering children for a brighter

The students truly enjoyed the celebration, their faces lit with excitement and pride as they actively participated in the festivities. It was a day filled with learning, laughter, and joy—a fitting tribute to the children who are, indeed, the future of our nation.
