## Celebrating Hindi Bhaasha Diwas with a Special Assembly

Pune, Maharashtra | 14<sup>th</sup> September, 2023

Hindi is our raj bhaasha, and Hindi Bhaasha Diwas is celebrated to commemorate this. To understand the significance of Hindi and Hindi Bhaasha Diwas, the students of Grade II celebrated the occasion with a special assembly in the school auditorium on 14<sup>th</sup> September, 2023.

Preparations for the day had begun a month ago. On the day of the event, they performed a skit on Hindi matras, gave a speech on the importance of Hindi as a language in our lives, they recited a kavita or poem on Hindi, narrated *dohe* and gave their meaning, and even performed a dance. Students enjoyed the hasya kavi sammelan which was also part of the programme.

We thank all the CCA team, and the Hindi Language Department faculty for mentoring our students and organising such a wonderful programme.
