## Celebrating India's Freedom Fighters: A Creative Tribute on Republic Day

Pune, Maharashtra | 15<sup>th</sup> to 25<sup>th</sup> January, 2025

In celebration of India's 76<sup>th</sup> Republic Day, the school library hosted a ten-day activity titled "India's Freedom Fighters" for Grades VI and VII, aiming to educate students about the nation's rich history of struggle and sacrifice. Through creative expression, students were encouraged to create posters and sketches that depicted freedom fighters, which were displayed throughout the school as a visual tribute to their courage

and resilience.

The activity provided students the opportunity to explore the stories of iconic leaders like Mahatma Gandhi, Subhas Chandra Bose, and Bhagat Singh. These artistic efforts sparked meaningful discussions about the importance of freedom and the sacrifices made by these heroes, helping students connect emotionally with the nation's history.

In addition to the art activities, the library organised a small book exhibition showcasing works on India's freedom struggle. The exhibition featured biographies, historical narratives, and accounts of the freedom fighters, allowing students to deepen their understanding of India's journey to independence and appreciate the role of literature in preserving history.

The "India's Freedom Fighters" initiative was a powerful way to promote patriotism and pride in young minds, engaging students in a creative and interactive learning experience. It not only enhanced their knowledge of India's freedom movement but also helped cultivate a deeper appreciation for the sacrifices that shaped the country's independence.

We thank our librarians, Ms. Swati Khaire and Ms. Anjali Garge for organising this event. The school library's efforts to celebrate this important occasion reflect the institution's commitment to providing students with meaningful learning experiences that connect them to their heritage.
