

Celebrating National Youth Day with a Quiz Competition

Pune, Maharashtra | 13th January, 2025

National Youth Day, celebrated on 12th January every year, marks the birth anniversary of Swami Vivekananda, one of the most influential spiritual leaders and social reformers in India. Swami Vivekananda's teachings continue to be a source of inspiration for young minds across the world, urging them to embrace values such as self-discipline, compassion, and a sense of purpose.

To commemorate National Youth Day, S.B. Patil Public School organised a quiz competition to engage young minds in a fun and informative way, while also honoring the ideals that Swami Vivekananda stood for. This competition tested the participants' knowledge of history, culture, and the life of Swami Vivekananda whilst also challenging their awareness of key issues and opportunities facing the youth today.

The primary objective of this quiz competition is to celebrate the essence of youthfulness and inspire a deeper understanding of the values promoted by Swami Vivekananda.

CCA Incharge, Ms. Durga Bhavani and her team took the competition for Grade IX students in school auditorium on 13th January, 2025. There were four rounds. Ms. Amrapali Nikalje did anchoring; and Ms. Sayalee Desmukh wrote the score board.

Students answered with enthusiasm with the Blue House being declared the winners with 20 points total.

The quiz competition on National Youth Day aimed to ignite curiosity, foster learning, and inspire young people to actively contribute to the betterment of society, just as Swami Vivekananda envisioned. By participating in this event, youth learned to honour the legacy of one of India's greatest philosophers and also set themselves on a path of self-discovery and growth in alignment with the ideals of integrity, determination, and service to humanity.
