

# Celebrating World Heritage Day

Pune, Maharashtra | 18<sup>th</sup> April, 2025

On World Heritage Day, we are presented with a valuable opportunity to familiarise our students with the cultural and natural treasures of our world, particularly those found within our own country. Our heritage is more than monuments and historical sites; it serves as a vital bridge between the past and the future.

To mark the occasion, 18th April, 2025, an Inter-house Quiz Competition was organised in the morning by the CCA department, in collaboration with the English and Social Science teachers, for Grade VIII students.

Participants were selected through a series of preliminary, semi-final, and final rounds. From all four houses, the Red House team, comprising seven students, emerged as the winners of the competition.
