

Celebrating the Spirit of Dr. A.P.J. Abdul Kalam: The World Students' Day Celebration

Pune, Maharashtra | 15th October 2026

On 15th October, 2026, S.B. Patil Public School, Ravet, Pune, celebrated World Students' Day with a special assembly presented by the enthusiastic students of Grade V, Blue House, commemorating the birth anniversary of the visionary scientist, former President of India, and beloved teacher, Dr. A. P. J. Abdul Kalam.

The programme commenced with a warm welcome, followed by a ceremonial *photo puja* of Dr. A.P.J. Abdul Kalam and Goddess Saraswati, symbolising reverence for knowledge and learning. An inspiring speech highlighted Dr. Kalam's remarkable life, achievements, and vision for India, while a captivating skit featuring an interview with the great visionary brought his ideals and inspiring journey to life.

Adding vibrancy to the assembly, students showcased their diverse talents through a melodious song, an engaging mono act, a harmonium performance, and an impressive karate demonstration. Each performance reflected the creativity, confidence, and dedication nurtured among our young learners. The programme concluded with a heartfelt vote of thanks.

The celebration served as a meaningful reminder of Dr. Kalam's enduring message to dream big, pursue knowledge, and work persistently towards one's goals. It encouraged students to recognise their potential, nurture their talents, and strive to become responsible citizens who contribute positively to the nation.

The school library commemorated the birth anniversary of Dr. A.P.J. Abdul Kalam by organising a series of engaging activities. These included a special book display, updated noticeboard charts, biographical sessions, informative video screenings for Grades III–V, student book reviews by Grade VII, and a quiz on Dr. Kalam's life and achievements. Teachers also participated in an hour of reading newspapers and magazines, while a book donation drive encouraged a spirit of reading and sharing among the school community.

Through these activities and assemblies, students beautifully celebrated the spirit of learning, leadership, and limitless possibilities that Dr. Kalam continues to inspire in young minds.
