
Celebrating the Spirit of Independent India: The Grades III and IV Celebration

Pune, Maharashtra | 14th August, 2026

Students of Grades III and IV from the Yellow House presented a vibrant Independence Day Special Assembly centred on the theme 'Celebrating the Spirit of Independent India'. The programme beautifully blended patriotism, creativity and learning through music, dance, drama and student presentations.

The assembly featured a patriotic song, an inspiring speech on Independence Day and a lively skit, 'Different Ways of Celebrating Independence Day', highlighting the importance of celebrating freedom with responsibility. A patriotic dance further filled the gathering with enthusiasm and national pride.

A special monologue on Divya Deshmukh, India's talented chess champion, showcased her determination, focus and achievements, inspiring students to pursue their dreams with confidence. A student portraying Shubhanshu Shukla celebrated India's achievements in space and encouraged young minds to dream beyond boundaries.

The assembly concluded with a patriotic song and the National Anthem, followed by the creative 'My India, My Pride' Tricolour India Activity. Students used their thumbprints to fill the outline of India, symbolising unity in diversity and the message: 'Different colours, different talents, one nation – INDIA!' The celebration was a memorable learning experience that brought together patriotism, creativity and active student participation.
