A Celebration of Books and Reading: The SBPPS Book Fair

Pune, Maharashtra | 31st October, 2026

A book fair was organised at S.B. Patil Public School on 31st October, 2026, alongside the Open House for Grades I to VII, providing students and parents with a wonderful opportunity to explore the world of books. A thoughtfully curated collection of books, specially selected to suit the age groups and reading interests of students, was made available at the fair.

The initiative aimed to encourage children to develop a love for reading and discover the joy of exploring stories, ideas and new perspectives beyond their textbooks. With a variety of age-appropriate titles to choose from, students could browse through the collection, discover books that interested them and take home new additions to their personal reading collections.

We extend our heartfelt thanks to our school librarians, Ms. Swati Khaire and Ms. Anjali Garge, for their efforts in organising the book fair and making it a meaningful addition to the Open House. Their initiative helped bring books closer to young readers and reinforced the importance of nurturing a lifelong reading habit.
