

A Commitment to Continuous Excellence: The NABET Physical Audit

Pune, Maharashtra | 4th August, 2026

S.B. Patil Public School proudly hosted the National Accreditation Board for Education and Training (NABET) Physical Audit on 4th August, 2026, marking another significant milestone in the school's ongoing pursuit of excellence in educational quality and institutional governance.

A constituent board of the Quality Council of India (QCI), NABET provides accreditation to educational institutions that demonstrate excellence in leadership, governance, teaching-learning processes, stakeholder engagement, safety, infrastructure, and continuous improvement. The accreditation framework encourages schools to adopt robust systems that ensure quality education while nurturing the holistic development of every learner.

The physical audit was conducted by the NABET assessors, Ms. Ruta Joshi and Mr. Nana Wagh, who undertook a comprehensive evaluation of the school's academic, administrative, and operational practices. Through detailed interactions, document verification, classroom observations, infrastructure inspections, and discussions with various stakeholders, the assessors examined the effectiveness of the school's systems and its commitment to quality-driven education.

Representing the Pimpri Chinchwad Education Trust (PCET) were Smt. Padma M. Bhonsle, Vice-Chairperson, and Dr. Girish M. Desai, Executive Director, whose continued encouragement and vision have played a vital role in fostering a culture of excellence. Dr. Sangeeta Gole, School Advisor, provided valuable guidance and mentorship in strengthening the school's overall approach to quality and institutional excellence. Ms. Shubhangi Kulkarni, Head of Quality Assurance, played a pivotal role in ensuring effective documentation, systematic compliance, and the overall quality of the school's processes. The audit was further supported by the leadership of principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda, and all the section heads whose direction, coordination, and commitment were instrumental in ensuring the smooth and successful conduct of the audit.

Every department of the school contributed to the successful conduct of the audit by presenting evidence of best practices, well-defined processes, innovative initiatives, and continuous quality improvements. The interactions reflected the collaborative spirit, professionalism, and unwavering commitment of the academic and administrative teams towards delivering meaningful learning experiences and maintaining the highest standards of governance.

The audit also provided an opportunity for the school to showcase its learner-centric philosophy, integration of technology, emphasis on experiential learning, robust safety measures, faculty development initiatives, and alignment with the principles of the National Education Policy 2020. The assessors appreciated the systematic documentation, transparent processes, and the dedication demonstrated by the entire school community.

As S.B. Patil Public School continues its journey of institutional growth and continuous improvement, the NABET Physical Audit stands as both a reflection of the school's achievements and a catalyst for future excellence. The experience reaffirmed the school's collective resolve to uphold quality, embrace innovation, and provide an enriching educational environment that empowers every learner to realise their fullest potential.

The school extends its sincere gratitude to the NABET assessors, Ms. Ruta Joshi and Mr. Nana Wagh, for their valuable observations and professional guidance. Heartfelt appreciation is also extended to Dr. Sangeeta Gole, Smt. Padma M. Bhonsle, and Dr. Girish M. Desai for their constant support and inspiring leadership. A special mention goes to section head, Ms. Darshana Kamat; system coordinator, Ms. Richa Arora; and admission incharge, Ms. Jasmin Shikalgar. Above all, the school acknowledges the dedicated efforts of every member of its academic and administrative fraternity, whose commitment, teamwork, and pursuit of excellence made the successful conduct of the audit possible.
