

Completing the IIT Madras Programme: Celebrating a Journey of Learning and Achievement

Pune, Maharashtra | 7th October, 2026

S.B. Patil Public School proudly celebrated the achievements of its students who participated in the IIT Madras Programme – April 2025 Batch. The programme provided learners with an enriching opportunity to engage in structured learning, develop new skills, and demonstrate their commitment through assignments and project-based work.

A total of 21 students successfully completed the programme and received Completion Certificates, marking a significant milestone in their learning journey. 16 students earned Participation Certificates in recognition of their enthusiasm, perseverance, and sustained engagement with the programme. Further recognising their efforts, 12 students received Certificates of Appreciation for successfully completing and submitting their projects.

The programme also brought recognition to the school through the conferment of the Active SPOC Certificate upon the programme coordinator for their contribution and coordination. This recognition reflects the successful participation and progress of the school's learners in the programme and the efforts invested in facilitating their engagement.

The achievements of the students are a testament to their curiosity, dedication, and willingness to embrace learning opportunities beyond the regular classroom. Their successful completion of the programme demonstrates their ability to work consistently towards academic goals while engaging meaningfully with assignments and projects.

S.B. Patil Public School extends its heartfelt congratulations to all the students on their achievements and applauds their hard work and commitment. Their success in the IIT Madras Programme is a proud moment for the entire school community and reflects our continued endeavour to provide learners with opportunities that broaden their horizons, encourage independent learning, and inspire them to pursue excellence.
