## Creating Better Opportunities: The Career Fair at S.B. Patil Public School

Pune, Maharashtra | 21<sup>st</sup> April, 2023

An Indo-global university career fair was organised by the school's Career Cell for the students of Grade IX, X and XII on 21<sup>st</sup> April, 2023 with the prime objective to inform students about future educational and career prospectives available.

In a one-of-a-kind experience, representatives from 14 renowned educational institutes/ universities showcased their professional programmes and courses at this fair which was held in the school's auditorium.

The interesting features of the fair were the introductory seminars by different university representatives as well as the prospects of studying abroad, new streams and avenues, etc. The representatives further went on to introduce the term, 'liberal arts' to the students which interested and attracted them immediately, and they thus tried to explore the avenues within this stream.

The fair saw an audience of around 500 students with the faculty too being part of the event. The school's alumni too visited the fair and got expert guidance from well-qualified professionals with access to the latest information and technical expertise. Representatives interacted one-on-one with students thus providing them individualised guidance.

Students further went on to give extremely positive feedback regarding the event as this was something that provided them awareness especially since they are at the stage wherein they are deciding streams and courses to take.

We thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; administrative officer, Mr. Manish Dhekale; and the Career Counsellor, Ms. Sushmita Roy for organising this insightful event.
