

# The Diya Decoration and Lantern-making Activity

Pune, Maharashtra | 18<sup>th</sup> October, 2024

Diwali, the vibrant Festival of Lights, is a celebration that brings joy and warmth to millions around the world. It symbolises the triumph of light over darkness and good over evil. This year, on 18<sup>th</sup> October, 2024, our school embraced the spirit of Diwali with two exciting activities for our students.

The enthusiastic students of Grades I and II participated in a diya decoration activity, where they transformed simple clay lamps into colorful works of art. Armed with paints, glitters, and their boundless creativity, they decorated the diyas with intricate designs, ready to illuminate their homes during the festival. The joy on their faces as they crafted each diya was a testament to the festive spirit of Diwali.

Meanwhile, the students of Grades III to V engaged in a lantern-making activity, channeling their artistic skills to create beautiful, handcrafted lanterns.

auditorium.

Ms. Ashwini Mohire, an art teacher with two decades of experience; and Ms. Shweta Rajguru, a reporter from Lokmat visited the school to conduct a Diwali lantern-making session for all students of Grades III to V in the

Using colorful paper, scissors, and glue, which they brought from home, they designed lanterns that reflected their unique personalities. As the lanterns came together, the students shared laughter and stories, embodying the true essence of community and celebration.

We thank our guests, Ms. Mohire and Ms Rajguru; the CCA incharge, Ms. Sujata Bhoite; and all the teachers for organising the lantern-

making and diya decoration events. Together, these activities not only filled the school with light and color but also fostered creativity and teamwork, making this Diwali a memorable one for all.
