

Receiving the Dr. Sarvepalli Radhakrishnan Shikshan Ratna Award

Pune, Maharashtra | 27th September, 2026

Faculty member, Ms. Varsha Deshmukh was honoured with the prestigious Green World Dr. Sarvepalli Radhakrishnan Shikshan Ratna Puraskar on 27th September, 2026, in recognition of her memorable contribution to the establishment and development of educational institution, promotion of quality education, and encouragement of research.

The award acknowledges her dedicated efforts and valuable contribution to the field of education. Through her commitment to strengthening educational institutions and creating opportunities for quality learning, she has contributed meaningfully to the development of the education sector.

The recognition also celebrates her efforts towards encouraging research and fostering an environment in which students, teachers, and future generations can pursue knowledge, innovation, and academic excellence. The Dr. Sarvepalli Radhakrishnan Shikshan Ratna Puraskar is a tribute to individuals whose work in education creates a lasting impact on society. Varsha Nitin Deshmukh's dedication and achievements have made her work a source of inspiration for future generations.

Receiving this honour is a proud moment and a significant milestone in her educational journey. The award stands as recognition of her continued commitment to the development of education and her vision of creating a stronger and more progressive academic environment. The honour is not only a recognition of past contributions but also an inspiration to continue working towards quality education, research, innovation, and the empowerment of future generations.
