An Educational Field Trip to Tolani Maritime Institute

Pune, Maharashtra | 30th October 2026

The students of Grades XI and XII of S.B. Patil Public School visited Tolani Maritime Institute on 30th October 2026 as part of an educational field trip. The students departed from the school at 8:45 a.m. and reached the institute at 9:40 a.m.

Upon arrival, the students were escorted to the seminar hall, where Captain Razi Khan conducted an informative session. He introduced the students to the various courses offered by the institute, highlighting the vast career opportunities in the fields of Marine Engineering and BSc Nautical Science. He also spoke about the BBA programme, particularly its relevance for commerce students, explaining the various career prospects in port management and related industries.

Following the enlightening session, the students were divided into three groups for a guided tour of the institute. Each group got an opportunity to explore various facilities, including the Fire and Safety Lab, Seamanship Lab, Control Deck, Simulation Room, Ship Engine Room and Workshop. These visits provided students with valuable practical exposure and a deeper understanding of the maritime industry.

The students were also taken on a tour of the recreational and sports facilities, which included pickleball courts, a swimming pool and other sports areas.

The visit was an enriching and informative experience that helped students gain first-hand knowledge of maritime education and explore diverse career opportunities in the shipping and port industries.

After an insightful and memorable visit, the students departed from the institute at 1:40 p.m. and reached the school at approximately 2:40 p.m., following which they were dispersed.

The field trip was a wonderful learning experience, broadening the students' horizons and providing them with valuable insights into career opportunities in the maritime sector.
