

S.B. Patil Public School Excels at Pragyan -The Inter-school Tech-Fest 2026

Pune, Maharashtra | 1st August, 2026

S.B. Patil Public School is proud to announce the outstanding performance of its students at *Pragyan – Interschool Tech-Fest 2026*, hosted by Global Talent International School on Saturday, 1st August 2026.

The Tech-Fest provided an excellent platform for young innovators to showcase their creativity, scientific thinking, and problem-solving skills through hands-on experiments, model making, and poster presentations across a range of exciting themes.

Our students brought laurels to the school with their remarkable achievements:

1. Parth Nagmoti secured First Prize in the Green Energy Healthcare Technology Poster making competition (Grades V and VI)
2. The Grades IV and V Green Energy Model Presentation Team won Second Prize for their innovative project and impressive presentation.

The event featured competitions across the following categories:

1. Pre-Primary – DIY Projects
2. Grades I and II – Sustainable Development
3. Grades III and IV – Green Energy
4. Grades V and VI – Healthcare Technology
5. Grades VI and VIII – Space Exploration

The participating students were accompanied and mentored by Ms. Pallavi Arali, Ms. Savita Hawale, Ms. Ratna and Mr. Kuldeep Ghadage whose guidance, encouragement, and dedicated support played a significant role in the students' confident participation and success.

These accomplishments are a testament to our students' creativity, innovation, teamwork, and pursuit of excellence. S.B. Patil Public School congratulates all the participants and winners for their commendable achievements and for bringing pride to the school. We also extend our heartfelt appreciation to our dedicated teachers and supportive parents for continually inspiring and nurturing our young innovators.

Congratulations to all our budding innovators! We wish them continued success in all their future endeavours.
