Festive Fervour and Eco-Conscious Joy: The Nursery to Grade V Diwali Celebrations

Pune, Maharashtra | 4th November, 2026

The students of Nursery to Grade V celebrated Diwali with immense joy and enthusiasm on 4th November, 2026. The school corridors were beautifully decorated with images of Goddess Lakshmi and colourful diya cut-outs, while the halls and classrooms were transformed into festive spaces. Children and teachers arrived in vibrant traditional attire, adding to the celebratory spirit. Teachers explained the significance of Diwali and narrated the story of Lord Rama's return to Ayodhya. Junior KG students also participated in an engaging diya painting activity.

The celebrations continued in the school auditorium, where students presented graceful performances. Through dances to *Ram Aayenge* and *Ali Diwali*, they beautifully captured the spirit and significance of the festival. Senior KG students staged a thoughtful skit highlighting the importance of a safe and eco-friendly Diwali. The event concluded with all students dancing together to a medley of festive songs, creating a cheerful atmosphere ahead of the holidays.

Adding to the celebrations, students of Grades I to V participated in an exciting, activity-filled Bagless Day designed to promote creativity, exploration, collaboration and practical learning. Students of Grades I and II enjoyed a Diya Decoration Activity, decorating earthen lamps with colours and embellishments while understanding their cultural significance.

Students of Grades III to V explored the school garden and created animals and birds using leaves of different shapes and sizes, combining artistic expression with environmental awareness. The Computational Thinking session encouraged logical reasoning, sequencing and problem-solving, while a special Financial Literacy Session introduced Grade V students to saving, budgeting, wise spending and responsible financial decisions. Students also showcased their imagination through a colourful Lantern Making Activity.

The day concluded with a cheerful Diwali Party, where students shared their favourite festive snacks with classmates, celebrating friendship and togetherness. The Bagless Day offered a wonderful blend of creativity, practical learning, environmental awareness and essential life skills. Together, the celebrations reinforced the idea that meaningful learning extends well beyond textbooks and classrooms, making education joyful, engaging and memorable.
