

The Pimpri Chinchwad Fire Department to the Rescue: A Fire Safety Live Exercise Conducted at School

Pune, Maharashtra | 16th April, 2025

On 16th April, 2025, the Pimpri Chinchwad Fire Department conducted a comprehensive fire safety live exercise at S.B. Patil Public School, Ravet. The initiative was part of an ongoing effort to foster greater awareness and preparedness among students and staff in the event of a fire emergency.

The exercise began promptly at in the morning where in the Grade IX students assembled in the synthetic ground.

Fire officers from the Pimpri Chinchwad Fire Department demonstrated various firefighting techniques, including the use of fire extinguishers and hose reels.

The demonstration was accompanied by a short lecture on the chemistry of fire, the types of fire extinguishers and its components, the importance of early detection, and the proper method of raising an alarm.

The session was made particularly engaging with the inclusion of a live fire extinguishing demonstration, wherein selected students were invited to extinguish a controlled fire under the guidance of trained professionals. This hands-on experience was designed to instil both confidence and practical skills in young learners, equipping them to respond effectively in a real-life scenario.

Speaking at the event, Chief Fire Officer emphasised the critical need for continuous fire safety education. He noted, "Our goal is to empower every individual, regardless of age, with the knowledge and confidence required to act swiftly and sensibly during an emergency."

The exercise concluded with an interactive Q&A session, during which students posed thoughtful queries about fire hazards, emergency communication systems, and preventive measures within residential settings.

awareness and action.

The fire safety live exercise at S.B. Patil Public School not only reinforced theoretical knowledge but also bridged the gap between

It underscored the vital role of preparedness in safeguarding lives and property, reaffirming the commitment of both the Pimpri Chinchwad Fire Department and the educational institution towards building a culture of safety and resilience.
