
For a Greener World and a Cleaner City: The Clean-up Drive and Rally

Pune, Maharashtra | 18th September, 2023

Organised by S.B. Patil Public School, 28 students of Grade IX partook in a Clean-up Drive and Rally on 18th September, 2023. Themed on "Water Conservation", under the GreenLine initiative, students cleaned the area near the Pawna River at Ravet. They were accompanied by faculty members, Ms. Trupti Zarkar and Ms. Ashwini Suryawanshi.

They collected and segregated all waste as biodegradable and non-biodegradable into trash bags. The collected waste was sent to the municipal corporation.

This activity aided students to understand the imperativeness of environmental protection, the need to restrain waste disposal in nature, the effort that goes into cleaning up and rectifying the damage, and overall, the respect and value for and towards our environment.

We sincerely thank our principal, Dr. Bindu Saini; and vice principal, Ms. Padmavati Banda for organising this event. We also thank our faculty members, Ms. Zarkar and Ms. Suryawanshi for mentoring and accompanying our students, and for every grain of hard work they put into making this green activity a success.
