

Giving a Colgate Smile: A Visit by the Dentist

Pune, Maharashtra | 8th July, 2023

If cleanliness is next to godliness, hygiene and cleanliness of every sort is important be it household, clothing wise, physical and even dental.

And thus, to promote dental health, S.B. Patil Public School arranged dental hygiene session dentist session for Grades IV and V on 8th July, 2023 which was also bagless day for students.

The session was given by Dr. Sheetal Zende, parent of Shravya Zende of IV-G. She explained about types of teeth, reasons to tooth decay, how to take care of one's teeth, foods that promote dental health, etc. She explained all of this via models of the mouth and jaw showing the steps how to brush and how to clean one's teeth with help of floss.

The hour-long session that was held from 10:00 am to 11:00 am in auditorium ended with students asking queries. They all were very happy and enjoyed the session very well.

HM, Ms. Shubhangi Kulkarni; and section coordinator, Ms. Archana Prabhune thanked Dr. Zende by presenting her with token of gratitude: a book and a sapling. Overall it was an interesting activity that gave a chance to students to understand about dental hygiene.

We thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; section coordinator, Ms. Archana Prabhune for organising such a wonderfully interactive learning session.
