Pune, Maharashtra | 5th October, 2023

On 5th October, 2023, S. B. Patil Public School organised Mismatch Day for the students of Grade I and II. The aim was to help students understand the concept of dressing properly according to the occasion.

Students posed happily in their mismatched attire. They used their creativity and imagination to adorn a combination of varied clothing including different pairs of socks and shoes, and even hair styles.
