
Grade V Mass Assembly Focuses on Safety, Health and Hygiene

Pune, Maharashtra | 24th August, 2026

A Mass Assembly for Grade V was conducted on Monday, 24th August, 2026, with the aim of creating awareness among students about the importance of personal safety, health, hygiene and responsible habits.

The session was conducted by the school nurse, Ms. Sujata Bhalerao, who spoke to the students about the basic safety needs that are essential for a healthy and secure life. She highlighted the importance of maintaining good health and hygiene, consuming safe and nutritious food, drinking clean water and having a safe and secure shelter.

Students were also sensitised to the importance of taking appropriate precautions and staying alert in everyday situations. The session further emphasised awareness during emergencies, encouraging students to remain calm, think responsibly and follow appropriate safety measures. The assembly served as a meaningful learning experience, helping students understand that safety is not merely a precaution but an important part of everyday life.
