

Honoured with the IIRF Education Impact Award 2025

Pune, Maharashtra | 11th December, 2025

S.B. Patil Public School, Ravet, Pune, was conferred the prestigious IIRF Education Impact Award 2025 for Future Orientation at the ICOSA School Conclave held on 11th December, 2025 at the India International Centre, New Delhi. The award recognised the school's unwavering commitment to academic excellence, innovative curriculum practices, and its future-ready approach towards holistic education.

The honour was received by the principal, Dr. Bindu Saini, who was accompanied by the vice principal, Ms. Padmavati Banda. Their presence marked a proud moment for the school community, as the award represented the collective dedication of its educators, staff, and learners.

The ceremony brought together more than 150 professionals from the academic fraternity. During the event, the IIRF Education Impact Award celebrated institutions excelling in key domains such as academic excellence, teaching innovation, future orientation, and benchmark education. S.B. Patil Public School's selection affirmed its continued efforts in fostering high-quality, student-centred learning experiences.

Speaking at the event, Dr. Saini expressed gratitude for the accolade, acknowledging the school's teachers, learners, and stakeholders whose continued support made the achievement possible. She reiterated the school's commitment to quality in all aspects so as to nurture responsible, skilled, and future-ready citizens.

The recognition stood as yet another milestone for S.B. Patil Public School, reinforcing its reputation as a leading institution dedicated to academic rigour, innovation, and educational advancement.
