## Igniting Imaginations: S.B. Patil Public School's Let's Read Book Fairs

Pune, Maharashtra | 5<sup>th</sup> and 9<sup>th</sup> November, 2024

The book lovers of S.B. Patil Public School never fail to show their excitement when the school organises the Let's Read Book Fair. These events, dedicated to fostering a love of reading, are always a highlight of the school year.

On 5<sup>th</sup> November, 2024, the school kicked off its book fair with an engaging event for the students of Grade III. The fair, held in the school's canteen area, was an instant hit. Young readers and their parents explored a wide variety of books, sparking curiosity and excitement. Students had the opportunity to choose from a selection of age-appropriate titles, from storybooks to educational resources, all designed to encourage a lifelong love of reading.

Later, on 9<sup>th</sup> November, 2024, the school hosted a second book fair for the students of Grades VI to VIII. This fair, tailored to the interests and academic needs of older students, featured a wider range of genres, including adventure, fantasy, science, and non-fiction. The event was a bustling success, with many students picking out books that would both challenge and inspire them as they advanced in their studies.

These events would not have been possible without the dedicated support of the school's leadership. Special thanks are due to Dr. Bindu Saini, the Principal; Ms. Padmavati Banda, the Vice Principal; Ms. Shubhangi Kulkarni, the Headmistress; Mr. Manish Dhekale, the Administrative Manager; and the librarians Ms. Swati Khaire and Ms. Anjali Garge, who helped coordinate and organize the events with great care and attention to detail.

We also extend our heartfelt gratitude to Mr. Mukesh Jadhav and the entire Let's Read team for their continued support in making these book fairs a reality. Their dedication to promoting reading for people of all ages aligns perfectly with the school's mission to cultivate a community of lifelong learners.

These book fairs are not just about selling books; they're about creating an atmosphere where reading is celebrated, where curiosity is nurtured, and where young minds are inspired to discover the world through the pages of a book. We look forward to many more such events in the future!
