Pune, Maharashtra | 21st September, 2023

With the aim to encourage people to make this world of ours a peaceful and better place to live in, on 21st September, 2023, the Blue House students of Grade IV celebrated International Day of Peace in a special assembly in the school auditorium.

They performed songs, speeches, poems and mime acts on peace and how we can create it. Through these, students spread the message of peace by explaining its importance and how it affects on our life.

Through this activity, students understood that to sustain peace, we must build it every day, in every society, with every one by working together towards a better common future for all.
