## Leading the Way: A Career Guidance Session

Pune, Maharashtra | 23<sup>rd</sup> September, 2023

On 23<sup>rd</sup> September, 2023, a career guidance seminar on psychometric analysis and career counselling was conducted for the students and parents of Grades IX to XII. Organised by S.B. Patil Public School and the school's Career Cell headed by Ms. Susmita Roy, the team from Viosa - an edtech company - spoke about the essentiality of career guidance right from an early age, and the need for psychometric analysis to understand areas of strength.

There was an overwhelming response by parents who lavished the faculty of S.B. Patil Public School and the team from Viosa with gratitude for organising the fantastic session.

We sincerely thank our principal, Dr. Bindu Saini; and vice principal, Ms. Padmavati Banda; and especially our Career Counsellor, Ms. Susmita Roy for organising this event. We also thank the team for Viosa for their time, dedication and the guidance they provided. And finally, we thank our students for being part of this seminar, and our parents for the eternal support they extend

US.
