

Learning Outcomes and Pedagogy: At the Day-long CBSE COE, Pune Workshop

Pune, Maharashtra | 2nd June, 2023

On 2nd June, 2023, S.B. Patil Public School hosted a CBSE COE, Pune Workshop on “Learning Outcomes and Pedagogy”. The day-long event had as its resource persons and speakers Ms. Vrinda Multani Joshi, Principal of Dr. Kalam Gurukul; and Ms. Radha Kore, Principal of Vidhya Pratishthan English Medium School. The event was attended by over 60 academics and veterans in the field of education with nearly half the crowd being our very own school faculty.

Held in S.B. Patil Public School's auditorium, Ms. Joshi and Ms. Kore discussed and elaborated on pressing issues such as classroom challenges, 21st Century skills, teaching methodologies, teaching-learning cycles, classroom teaching, learning outcomes, and how with the advent of the National Education Policy 2020 and National Curriculum Framework (NCF) educators, education and the education system needs to mature and progress to be the change makers and bring about new changes in the education system.

The seminar brimmed with information and forethought as Ms. Joshi and Ms. Kore enchanted the audience through talks, Q&A sessions, and umpteen activities. The seminar was extensively interactive with continuous questions shooting to and fro: from trainers and the audience; and the numerous activities put all that was learned to the test.

On behalf of everyone here at S.B. Patil Public School and the Pimpri Chinchwad Education Trust, we sincerely thank CBSE COE, Pune for giving us the opportunity to organise and host this prestigious event. We extend our gratitude to Ms. Joshi and Ms. Kore for devoting their time to enriching us through the seminar, and look forward to many more such collaborations.
