
Making Wellbeing a Priority: The One-week Health Camp

Pune, Maharashtra | 16th to 23rd October, 2023

If the holistic development of its students and faculty is part of S.B. Patil Public School's creed, so is ensuring their safety, security and wellness. And thus, S.B. Patil Public School organised a one-week health check-up from 16th to 23rd October, 2023.

A team from Yashashri Hospital, Ravet, headed by Dr. Rohit Petkar checked both students and staff. 3,380 students and 200 staff inclusive of teaching, administrative and support staff were examined by the team.

Dr. Petkar even held an interactive session with the higher grade students to discuss the issues of general and dental hygiene, TV and internet usage, etc.

We thank our school nurses, Ms. Sujata Bhalerao and Ms. Kalyani Jadhav; Dr. Petkar and the team from Yashashri Hospital; and our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; and administrative manager, Mr. Manish Dhekale for organising this health camp
