

S.B. Patil Public School Joins Hands with Robin Hood Army for Mission Sankalp 78

Pune, Maharashtra | 14th August, 2025

In the spirit of Independence Day and with a strong sense of social responsibility, the students and faculty of S.B. Patil Public School, Ravet, came together to support *Mission Sankalp 78*, an initiative of the Robin Hood Army aimed at serving 78 lakh meals to those in need across the country.

Responding wholeheartedly to the call, the school community generously donated grain kits consisting of rice, pulses, flour, salt, biscuits, etc.

The drive was met with great enthusiasm from both students and staff, symbolising the values of empathy, generosity and collective action that the school actively nurtures. On 14th August, 2025, the Robin Hood Army team visited the school to collect the contributions, which will be distributed in rural areas where the need is greatest.

This initiative reflects S.B. Patil Public School's unwavering commitment to community welfare and its belief in shaping responsible citizens who are conscious of their role in society. Beyond academics, the school places strong emphasis on inculcating values of compassion, civic sense and service. By participating in such initiatives, our school not only extends its support to the underprivileged but also reinforces the importance of collective effort in bringing about meaningful change.

Through endeavours like these, S.B. Patil Public School continues to demonstrate its dedication to corporate social responsibility, setting an example for students and society alike.
