
Navratri Rhythms: The Little Stars Dance in Devotion

Pune, Maharashtra | 30th September, 2025

The festival of Navratri was celebrated with immense enthusiasm and devotion at S.B. Patil Public School, Ravet, on 30th September, 2025. The event was a heart-warming tribute to Goddess Durga, embodying the spirit of faith, culture, and unity.

Navratri, one of India's most vibrant and significant festivals, symbolises the victory of good over evil and honours the nine divine forms of Goddess Durga. The occasion was beautifully presented by the Yellow House students of Grades I and II in the school auditorium.

The programme commenced with an energetic introduction by the "Spurti Dal" (Yellow House students). The anchoring was carried out confidently by the Grade II students, who also narrated stories highlighting the importance of Navratri and the unique ways in which it is celebrated across North, South, East, and West India. A creative segment showcased the significance of the seven colours of Navratri, thoughtfully linked with the nine avatars of Goddess Durga.

Adding vibrancy to the celebration, the students performed a spirited Gondhal dance that mesmerised the audience. The programme concluded with a vote of thanks, followed by a lively common Garba dance led by the dance teachers, where all students joyfully participated.

The celebration was not only a cultural showcase but also a learning experience. It helped learners understand the rituals and traditions of Navratri while instilling values of devotion, discipline, positivity, and respect for cultural diversity.
