
The Scouts and Guides Eco-Friendly Rakhi Making Activity

Pune, Maharashtra | 25th August, 2026

On 25th August, 2026, students of Grades VI and VII participated in an engaging Scouts and Guides activity focused on creativity and environmental awareness. The students made beautiful rakhis using waste and eco-friendly materials, transforming simple, reusable items into colourful and meaningful creations.

The

activity encouraged students to explore their creativity while promoting the importance of reusing materials, reducing waste, and caring for the environment. It was a fun and purposeful learning experience that beautifully connected the spirit of Raksha Bandhan with the values of sustainability and responsible citizenship.
