

## Securing the National Rank 1: At the Bebras Computational Thinking Challenge

Pune, Maharashtra | 15<sup>th</sup> November to 7<sup>th</sup> December, and 27<sup>th</sup> December, 2024

We are delighted to share the success and highlights of the Bebras Computational Thinking Challenge for the academic year 2024-25.

Bebras is an international initiative designed to promote Informatics (Computer Science) and computational thinking among students of all ages. Organised in over 60 countries, the Bebras Computational Thinking Challenge aims to engage students worldwide and get them excited about computing. The challenge is an excellent opportunity to learn about computational thinking and problem-solving skills.

The Bebras challenges consist of short problems known as Bebras tasks. These tasks are fun, engaging, and based on problems that Computer Scientists enjoy solving. They require logical thinking and can be solved without prior knowledge of computational thinking. The goal is to solve as many tasks as possible within the given time-frame.

Bebras India has been organising the Bebras International Computational Challenge since 2018, with over 500,000 students participating. The 2024 Bebras India Challenge took place from 15<sup>th</sup> November to 7<sup>th</sup> December, 2024 for age groups 8-18 years in multiple languages including English, Hindi, Marathi, Gujarati, Odia, Kannada, Tamil, and Telugu.

**We are proud to share that four of our students secured the National Rank 1.** All the students from Grade III to X were registered and participated for the event. Result of achievers are as follows:

### India Bebras Challenge (A.Y. 2024-25) Result

Group	Student Name	Standard	Division	Achievement	Score Out of 165
<b>Brahmagupta (English)</b>	Purvi Gaikwad	VI	F	<b>National Rank #01</b>	<b>165</b>
	Swarali Javalekar				<b>165</b>
	Aradhya Koganur				<b>165</b>
<b>Mahavira (English)</b>	Naman Jain	IX	B		<b>165</b>
<b>Aryabhata (English)</b>	Spandan Gupta	IV	G	First Runner-Up in School	133
	Dhriti Gupta	IV	F	Second Runner-Up in School	111
	Anvi Panhalkar	III	E	First in School	137
<b>Bhaskara (English)</b>	Aryan Chaudhari	VIII	B	First in School	149
	Kavish Doshi	VIII	B	First in School	149
	Shaurya Handibag	VIII	B	First in School	149
	Shriya Pandal	VII	G	First in School	149
<b>Mahavira (English)</b>	Sharvari Bhondve	IX	A	First Runner-Up in School	149
	Sudarshan Jadhav	X	G	First Runner-Up in School	149

This remarkable achievement came from a pool of over 1,75,000 participants, and we are thrilled that our students have secured the top spot!

This accomplishment would not have been possible without the guidance, encouragement, and support of our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda, and HM, Ms. Shubhangi Kulkarni. A special thank you goes to all the section coordinators for their continued support.

We also extend our sincere gratitude to all the computer teachers who worked diligently to conduct the event successfully. Their efforts have made this achievement a reality, and we are immensely proud of our students' exceptional performance. Thank you to everyone involved for your continuous support and dedication. Let us continue to strive for excellence in all our future endeavours.
